KINDERGARTEN
MINI BOOKS

MODULE 1 • WEEK 1

DIRECTIONS:

To create mini books for your students, print out the book double-sided and on the short edge, place the pages in order, fold in half, and staple. Choose paper that is sturdy but easy for students to write and draw on.

To make their own “My Cars” mini book, have students write their name on the cover and then in each blank. Then ask them to color the car the appropriate color. Place a color chart in the literacy center to help students read the color words.
