## Teacher Assessment Script

**Phonemic Awareness and Reading Words:** Assess students individually using the words in Rows 1 and 2 found on the last page of the Teacher Assessment Script.

First, dictate the sounds in the first word in Row 1 and have the student **blend** the sounds to say the word. Repeat with the next two words. Then dictate the fourth word for the student to **segment by phoneme**. Repeat with the fifth word.

Use the optional Phonemic Awareness and Reading Words Recording Form if you would like to record the student's exact responses for analysis. Record a ✓ if the student responds correctly. Record what the student says if there is an error. Otherwise, record the total number of correct responses on the Class Scores Recording Form in the Phonemic Awareness column.

Next, have the student read the words in Row 1 (phonics focus) and Row 2 (sight words).
