

Ray the Dog

One day Shane and Nate were playing in the park.
Shane saw a dog.

“Look at that dog with the gray fur,” said Shane.

“I think the dog is a stray.”

“You are right,” said Nate. “His gray fur is matted.”

“Mom!” called Nate. “We think this dog is a stray!”

Nate’s mom looked at the dog. Then she saw a phone number and a name on the dog’s collar.

“He is not a stray,” she said.

“This is Ray. He is just lost.

We can call the phone number!”

They called the phone number.

A boy and his mom came to the park.

They both hugged the dog.

“Thank you for finding Ray,” they said.
