

Peach the Pig and the Bad Dream

Peach the Pig went down to the stream.

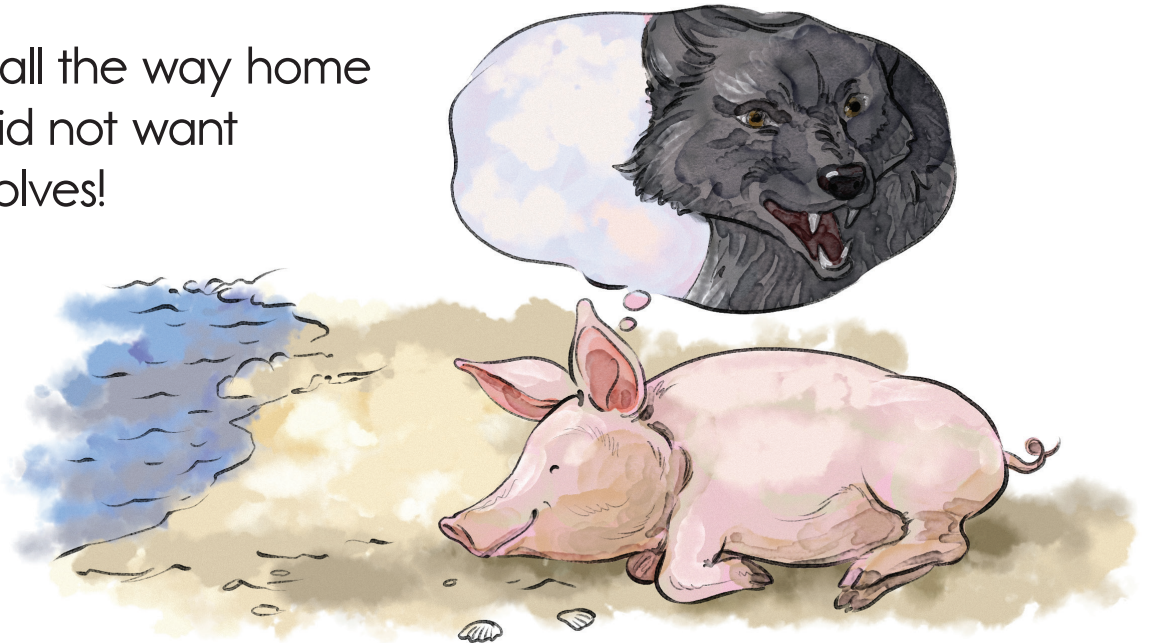

There was a little beach next to the stream. Peach lay down in the sand and went to sleep.

Peach had a peaceful dream about a treat to eat. It was a yummy, gooey peanut butter treat.

Just when Peach was going to reach for the treat, a wolf came along and ate the treat all up! Then he looked at Peach and licked his lips. "Here is another yummy treat," he growled.

Peach woke up. "Is there a wolf here? No! That was just a bad dream!"

But Peach ran all the way home because she did not want to meet any wolves!
