

The Squirt Blaster

One day Kirby jumped out from behind a tree with a big smirk on his face.

“Watch out, Miranda! I have my great big Super Duper Squirter,” shouted Kirby.

Miranda whirled around and looked at Kirby. “Don’t you use that on me!” she said. “Or you will regret it!”

Kirby gave a great big laugh and squirted Miranda’s skirt.

“Now I am wet!” cried Miranda. “But look what I have!” She held up her own Super Duper Squirter and twirled it with a big smirk. Then she squirted Kirby’s shirt.

“Ahhh, now I am all wet,” cried Kirby.

“I told you, you would regret it!” said Miranda.
